Personal and Professional Development

ONLINE VIDEO SEMINAR: Foundations of Gestalt Therapy **WEDNESDAY GROUP**

This seminar is a survey of the foundational principles of gestalt therapy as they apply to clinical practice. It will develop the participant's understanding of the underpinnings of gestalt therapy theory. In accordance with Kurt Lewin's maxim, "there is nothing so practical as a good theory," we will divide our time equally between theory presentation and clinical supervision.

Learning Objectives

- Understanding the foundational principles of gestalt.
- Applying gestalt therapy principles to current caseloads and social situations.
- Presenting clinical cases from a gestalt foundational perspective.
- Comprehending the sociopolitical roots of gestalt therapy in psychotherapy.
